## Certificate of Factory Production Control

**0769 – CPD – 122035-2**

In compliance with the Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (the Construction Products Directive – CPD) last amended by Regulation (EC) no. 1882/2003 of the European Parliament and the Council of 29 September 2003, it has been stated that the construction product:

Technical Specification	Construction Product	Material
EN 10088-5	Bars of corrosion resisting steels for construction purposes	1.4301, 1.4307 1.4401, 1.4404 1.4541, 1.4571 1.4462, 1.4482

placed on the market by and produced in the factory

### **ACERINOX EUROPA S.A.U.**

Fabrica del Campo de Gibraltar, E-11730 Palmones, Spanien

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body has performed the initial inspection of the factory and the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation (CE) of factory production control described in Annex ZA of the standard

**EN 10088-5:2009**

were applied.

This certificate was first issued on 17 April 2012 and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly and latest till 17 April 2017.

Karlsruhe, 17 April 2012
