## EC Certificate and Declaration of Conformity for CE Marking

This declaration is to certify that Caparo Merchant Bar plc, Caparo House, PO Box 15, Scunthorpe, North Lincolnshire, DN16 1XL manufactures merchant bar, on the Scunthorpe site, in accordance with the requirements of the **Construction Products Regulation 305/2011/EU** of the European Parliament and of the Council of March 2011.

Caparo Merchant Bar manufactures flats, angles, squares, rounds, serrated flats, half round flats, channels and I beams, as hot rolled structural steel products in the as-rolled condition, suitable for building construction or civil engineering.

The CE mark is endorsed on the Certificate of Test, which accompanies each delivery of product, and on the label of each individual bundle. The certificate and label include the bundle number, the cast number and the size and quality of the product, as well as the CE mark with the LRV Notified Body Number 0038 underneath.

The product conforms to the provisions of Annex ZA of EN 10025-1:2004.

The number of the accompanying factory production control certificate, issued by Lloyds Register Verification Limited, 71 Fenchurch Street, London, EC3M 4BS, UK, is **0038/CPR/2006002/A**.

Mr S Unwin

Executive Director – Caparo Merchant Bar plc

December 2013

# CERTIFICATE OF CONFORMITY OF FACTORY PRODUCTION CONTROL

This certificate is issued to:

**Manufacturer:** **Caparo Merchant Bar plc**  
**Caparo House, Rod Mill Road, Off Brigg Road,**  
**Scunthorpe, North Lincolnshire**  
**United Kingdom**

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product:

## Hot Rolled Products of Structural Steels – General Technical Delivery Conditions

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard(s)

**EN 10025-1:2004**

under system 2+ are applied and that the products fulfil all the prescribed requirements set out above.

The attached Schedule, of the same date, details the manufacturing location(s), harmonised product standard and product parameters and shall form a part of this certificate.

This Certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

Certificate No: 0038/CPR/20060002/A

Original Approval: 20 February 2006

Current Certificate: 18 December 2013

Expiry Date: 19 February 2015

LRV Notified Body Number 0038

A Gibbons on behalf of Lloyd's Register Verification

Lloyd's Register Verification Limited (Reg. no. 4929226) is a limited company registered in England and Wales. Registered office: 71 Fenchurch Street, London, EC3M 4BS, UK. A subsidiary of Lloyd's Register Group Limited.

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as the 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
